- **Reversible Dual-Tone Design** - Features a sleek woodgrain texture on both sides, allowing versatile styling
- **Fire-Resistant Technology** - Built with fire-retardant properties, offering enhanced safety for residential and commercial applications
- **Durable and Low Maintenance** - Resistance to rot, splintering and warping, ensuring long-lasting performance with minimal upkeep
- **Slip-Resistant and Weatherproof** - Textured surface enhances grip, while the material withstands harsh weather conditions for year-round use
- **Eco-Friendly and Sustainable** - Constructed from recycled materials, making it an environmentally conscious alternative to traditional wood decking
